

F35 342 German WWI
1/35 **Minenwerfer Crewmember
Loading Shell**

PUR - Polyurethane parts

Díly ohnuté popř. pokroucené vlivem teplotních změn a stárnutí materiálu, mohou být narovnané do požadovaného tvaru pomocí proudu teplé vody nebo vzduchu (fén na vlasy). Různé drátky a tyčinky nejsou přiloženy. K lepení použijte kyanoakrylátové lepidlo. Kontaktní plochy doporučujeme před lepením odmastit.

Parts slightly distorted and bended owing to temperature changes or due to material ageing can be straightened to requested shape by hot water or hot air jet (hair dryer). Wires and rods not included. For best results use cyanoacrylate glue. Contact areas ungrease is recommended before gluing
